 SHAHADAB17

SUMMARY

Electronics & Telecommunication Engineering student with hands-on experience in IoT, embedded systems, robotics, and PCB design. Skilled in C, C++, Python, HTML, and CSS with expertise in MATLAB, Proteus, WOKWI, and EasyEDA. Completed internships in IoT, robotics, and PCB fabrication, and developed projects including Smart Notice Board and Water Surface Waste Collector Robot. Strong knowledge of microcontrollers, sensor integration, and communication protocols (Wi-Fi, Bluetooth).

EDUCATION

G H RAISONI COLLEGE OF ENGINEERING AND MANAGMENT NAGPUR

Bachelor of Technology

SEP 2023 - SEP 2026

Somayya Polytechnic , Chandrapur

Diploma -Electronics & Telecommunication - 75.29

Jul 2021 - Jul 2023

Guru Nanak College of Science , Ballarpur

HSC - 53

Jul 2017 - Aug 2021

Sai Baba Gyanpeeth Convent, Ballarpur

SSC - 51

Mar 2010 - May 2019

INTERNSHIP

VS Informatics Pvt Ltd -Dual Layer PCB Design & Fabrication

PCB Design & Fabrication

Apr - May 2025

Maximum Solutions-IoT & Robotics Internship

IoT & Robotics Internship

July - Aug 2022

Developed IoT and robotics-based applications using microcontrollers and sensors.

Anmol Foundation

intern - NGO Internship

Feb - Mar 2022

PROJECTS

Floating Debris Scooper Robot-B.Tech Major Project

Smart Notice Board-B.Tech Minor Project

Remote-Controlled RoboCar-Diploma Final Project

CERTIFICATE

Dual Layer PCB Design & Fabrication 

Python Programming -internPE 

IoT & Embedded Systems - Tamizhan Skills 

Digital Electronics & VLSI - Codec Technologies Pvt. Ltd 

Maximum Solutions-IoT & Robotics Internship

SKILLS

Programming: C, C++, Python, HTML5, CSS3.

Tools & Software: MATLAB, WOKWI, LT Spice, PROTEUS, EasyEDA.

Hardware & Embedded: Microcontrollers (Arduino, ESP32), IoT Development, PCB Design & Fabrication

Communication Protocols: **Wi-Fi** & **IEEE 802.11 + TCP/IP stack**

Bluetooth & **IEEE 802.15.1 + Bluetooth protocol stack**Sensors Integration

LANGUAGE

English , Hindi , Marathi Advanced
